Detailed Rationale

Infomerics has reaffirmed the ratings of Nitco Limited (NL) and moved the rating under Issuer Not Cooperating category to IVR D; ISSUER NOT COOPERATING; due to lack of adequate information available and the uncertainty around its credit risk. Infomerics assesses whether the information available about the entity is commensurate with its rating and reviews the same as per its policy. The lenders, investors and other market participants are thus advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the entity.

Non-cooperation by Issuer

Infomerics has been regularly following up with the company to provide the required data to monitor its assigned rating to the bank facilities and debt instruments, vide mail

Press Release

communications dated June 09th, 2025, July 14th, 2025, July 29th, 2025, and August 04th, 2025, and concurrently over several phone calls. However, despite repeated requests by Infomerics, the company's management has not submitted the essential details/information for surveillance exercise.

Availability of information is very critical in the rating exercise. In the absence of the requisite information, in consonance with SEBI guidelines, Infomerics has to assign the rating based on the best available information.

Accordingly, the rating for the bank facilities and debt instrument of Nitco Limited aggregating to Rs.720.50 crore has been reaffirmed and moved under Issuer Not Cooperating category to IVR D: ISSUER NOT COOPERATING based on best available information by Infomerics Ratings.
